Flat Roofer Foreman

Description

Do you have what it takes to be part of the Knighthood? Knights Roofing Ltd. is a full-service roofing company located in Edmonton, Alberta. We strive for excellence in providing our clients with innovative roofing solutions that call attention to our integrity, quality, and service. Our Roofing Knights bring their diverse expertise and character to the job as we serve the public and private sectors.

At Knights Roofing, we are dedicated to providing protection from above

Our code of chivalry seeks to unite us as a team through our words and actions. At Knights Roofing, we do not believe in “business as usual” but instead in treating our community as members of an extended family.

We are looking for an experienced Foreman to join the ranks and lead a team of Roofing Knights. As the Flat Roofer Foreman, you will be in the field, directly supervising and coordinating the activities of workers and their helpers. As the Foreman, you will perform both supervisory and management functions and engage in the same construction/roofing trade work as the workers. As each project is completed, you will provide timely and quality installation of all assigned roofing projects in the field.

Responsibilities

- Schedule day-to-day operations
- Conduct hands-on training of new crew members
- Complete and maintain proper daily paperwork
- Maintain good public relations with customers
- Maintain a safe working environment according to OH&S standards and requirements.

Qualifications

Each of our Roofing Knights brings their skills and knowledge to the table as we learn from each other and grow to serve better. Our team brings a personal touch to caring deeply about how we serve our customers and employees and uphold our commitment to quality workmanship. We seek a worthy roofing knight to join us, bringing your knowledge, experience, and desire to protect. To be a Roofing Knight, we are looking for:

- Minimum of five years of roofing experience
- Knowledge of Built-Up Roofing, Adhesive systems, Torch modified & Single-Ply Roofing
- Good mathematical, reading, and time management skills
- Drivers License
- Fall Protection
- Good attendance
